

COMPETITION GUIDELINES

The AJ'S ABACUS COMPETITION 2025

The competition is to check and boost the calculating skills, speed calculation, accuracy, reasoning skills, Mind Maths, laser focus and memory power of the participant. The prime focus of The AJ'S ABACUS COMPETITION is to bring all students of every level on a single National platform and assess their Mental Arithmetic and brain skills. The competition helps developing faster calculations, accurate problem-solving skills, quick analyse and respond, and fosters love for Mathematics. The winners and participating students are recognized with certificates, medals, trophies and gifts.

Students who solve 70 sums accurate in 5 minutes will be awarded "The AJ'S ZHUSUAN AWARD"

WHO CAN PARTICIPATE?

Students from Grade 1 to Grade 9

*Students who are not undergoing abacus training can also participate and test their calculating skills.
